Video introducing Suginami Izumi Gakuen
(Elementary and junior high schools)

Australian students intently watching the
video from Suginami Izumi Gakuen

Student giving a self-
introduction

5. Additional information

- ◆ Both sides exchanged self-introduction videos as a prelude to the planned online exchange.
- ◆ Australian students learning Japanese introduced themselves in both English and Japanese.
- ◆ Messages from the Australian students included, “You all speak good English!” and “We look forward to seeing you!,” which made the upcoming online exchange more promising.
