

Video Exchange

Tokyo Metropolitan Higashiyamato Minami High School Video exchange with Taiwanese school

1. Posted by counterpart

Friday, April 12, 2024

2. Participants

30 third year students

3. Counterpart

Daan Vocational High School,
Taipei City, Taiwan

4. Schedule

1. Create video (Higashiyamato Minami High School)
2. Upload video (Tokyo side)
3. Make reply video (Daan Vocational High School)
4. Upload reply video (Taiwanese side)

5. Additional information

- ◆ The video from Higashiyamato Minami included student self-introductions, a tour of things typically found in a Japanese school (such as shoe boxes and vending machines), and introduced extracurricular activities. It also showcased popular Japanese sightseeing spots such as Tokyo Skytree Tower and the city of Nara.
- ◆ The video from the Taiwanese students included student self-introductions (hobbies and favorite school subjects), as well as a tour of their school and the local area. Some students demonstrated how to cook fried noodles and played the guitar.
