Tokyo Metropolitan Aoyama High School Visit by Education Minister of the United Arab Emirates

Dialogue with students dispatched to the UAE

Sharing thoughts with the chemistry teacher

Observation of a class

5. Additional information

- ◆ After the guests gave their greetings at the principal's office, three students who were dispatched to the UAE in 2023 reported on their activities to the Minister in English.
- ◆ The Minister and the UAE delegation were very proactive in asking the principal about the school curriculum and initiatives to motivate the students to learn.
- ◆ The UAE delegation toured the school's facilities and observed the students engaging in club activities.
