#### 3. Presentations by Australian students

- Impressions of the Tokyo Experience School
- Questions to Japanese friends

#### 4. Closing remarks

Saying goodbye to each other

### 5. Additional information

- ◆ Four students from Shakujii High School made presentations. In response to questions such as, "What do you want to do in Japan when you come back again?" and, "What was the greatest memory you have of our high school?" the Australian students replied, "I would like to go sightseeing with the friends I made in Japan," and, "The best memory was making friends with you."
- ◆ In her closing remarks, the Australian teacher expressed gratitude that her students' Japanese improved remarkably by attending the Tokyo Exchange School 2024, and she wished other Australian students would have chance to attend the same program.
