- ◆ Each student from Adachi Higashi High showed his/her name written large on a board and asked a question in English. After receiving an answer, the student said, "Thank you! See you again!" and changed seats with another student. In this way the students held a smooth question and answer session, allowing many students to participate.
- ◆ In response to the question, "What do you know about Jordan?," the Adachi Higashi students shared their memories of making Jordanian cuisine together at school and mentioned the names of the dishes.
- ◆ During the closing remarks, the principal of Adachi Higashi sent a warm farewell to the Jordanian students by saying, "Please remember that you are all Adachi Higashi students!" The students of both sides gathered close to the display monitors and made heart shapes with their hands and waved good-bye to each other.
