5. Additional information

- ◆ A pre-program online exchange was held between Thai students participating in the 2024 Tokyo Experience School and the students of Mitaka Secondary School who will be their host families.
- ◆ After the self-introductions, the topics expanded, and there was a lot of excitement among students as they exclaimed, "Let's play sports together" and "Let's watch anime and read manga together."
- ◆ As for expectations of the Tokyo Experience School, the Thai students said that they wanted to experience Tokyo, learn about Japanese culture, and eat Japanese foods that they cannot have in Thailand.
- ◆ During the closing remarks, the Thai teacher said to the students, "Please deepen your friendships with each other during the Tokyo Experience School, and please continue cultural exchange between Thailand and Japan."
