Online exchange

4. Schedule

1. Welcome speech by Ueno High School students

- A student representative gave a speech

2. Self-introductions by the Turkish students

- Each of the six students gave their names and talked about their expectations for visiting Tokyo

3. Closing remarks

5. Additional information

- ◆ A pre-program online exchange was held between the Turkish students participating in the 2024 Tokyo Experience School and the Ueno High School students.
- ◆ In the welcome speech, a representative for the students talked about Ueno High School's good location, including the fact that it is adjacent to national art galleries and museums.
- ◆ One by one, the Turkish students introduced themselves and stated what they wanted to do in Japan. Many students were interested not only in traditional Japanese culture, but also in Japanese advanced technology.
