5. Additional information

- ◆ A pre-program online exchange was held between Thai students participating in the 2024 Tokyo Experience School and the students of Mitaka Secondary School who will be their host families.
- ◆ The Thai students seemed to be a little worried about coming to Japan, and wanted to know about the school environment, the surrounding shops, and what Tokyo was like. The Kiyose High students explained that the atmosphere of the school was good, and that Japan was safe. Some students gave advice on the weather and clothing as well.
- ◆ In response to a question from a Kiyose High student asking if they were studying Japanese, a Thai student replied, "I want to learn Japanese at the Tokyo Experience School."
