### 5. Additional information

- ◆ A pre-program online exchange was held between French students participating in the Tokyo Experience School and students from Fussa High School who will be their buddies.
- ◆ The students talked about popular Japanese manga, anime, and Japanese food in France.
- ◆ When asked about their favorite French foods, the Fussa High students replied, "Madeleines!", "Croissants!", "French toast!", and more. A French student replied with a smile, "French toast is an American food."
- ◆ The Fussa High students asked the names of colors in French, and a French student gladly gave a small lesson on how to pronounce several colors in French.
